SAN FRANCISCO MINI MEET - JULY 27, 2019

Join us in San Francisco, California on July 27, 2019 at 9:00 am for a day of vending, entertaining presentations, and a tour of Southern Pacific’s former General Office and Ferry Building. There is plenty of room for vendors in the multipurpose room. One vendor table is included in the price of registration and additional tables are \$25 each while space is available. Four presentations will be given during the day’s schedule. The church shares parking with Stonestown Mall, which will provide a variety of lunch opportunities. Following the meet, we will have a guided tour from the mall to the Embarcadero over Muni’s M Line Streetcar. The tour is not included in the price of registration, but MUNI day pass tickets are available for \$5 during the excursion. There will be plenty of time during the tour to eat dinner at the former General Office or a nearby restaurant. The tour will return to Stonestown no later than 8:00 pm.
