

## **SPH&TS Fall 2021 Southern California Mini Meet**

Come join fellow Southern Pacific enthusiasts in sunny Southern California for a Mini Meet featuring several programs of Espee interest. Tables will be available for attendees at no cost to showcase their model work, or sell model items or SP memorabilia.

Program one, presented by Joseph Strapac, noted SP diesel author, covers  
**SP First Generation Diesels**

Program two, presented by Michael Patris & Steve Crise, covers  
**Pacific Electric, Mount Lowe & Los Angeles Transit**

Program three, presented by Andrew Novak, covers  
**Second Generation and Later SP Diesels**

Program four, presented by Paul Koehler, former SPH&TS president, covers  
**SP Facilities**
